

# The Exquisite

## Description

Our newest, contemporary design, where the built-in spa has been moved to the center of the pool above a built-in spa. This provides a full channel for end-to-end swimming, with three lengths available.

## Features and Benefits

- Large, built-in splash pad with a depth of 20” from top to bottom – disclaimer: actual water depth will vary upon fill capacity and positioning of the skimmer box
- Built-in spa, ideal for therapeutic massage jets. Spa dimensions 5’11” L x 5’ 11” W. Swim jets sold separately.
- Full-length swimming channel for fun or exercise
- Extended bench allows for multi-swimmer seating or recreational enjoyment

## Sizes
