

The Illusion

Description

Our most popular pool is its full-width splash pad at the front, which ends with a stylish step into the waiting swimming pool. The splash pad area is a little deeper, making it perfect for lounge chairs and a small table while others enjoy a swim that can reach a full 7 feet on the 40-foot-long edition.

Features and Benefits

- Large, built-in splash pad with a depth of 16” from top to bottom – disclaimer: actual water depth will vary upon fill capacity and positioning of the skimmer box
- Sophisticated, modern styling will enhance all types of backyard designs
- Entry access from three sides of the splash pad with deep end seats/exit steps
- Large swimming area for both exercise and fitness
