

The Vision

Description

A remarkable pool that can provide luxury and grace in limited backyards. With four lengths (16-26 feet), it offers a full-width bench (10 feet) at the entry and a generous swimming area inside. This pool is often complemented by generous greenery and landscaping, with the potential for tile along the pool's sides for a unique, stylish look.

Features and Benefits

- Sleek, modern design allows for unlimited landscaping possibilities for both traditional and modern aesthetics
- Large bench located at the shallow end with option to incorporate spa jets
- Well-positioned entry and exit steps lead down to the pool floor
- Flat-bottom design makes it the perfect pool for playing pool games or for exercising
